## Gold Hospital Cover (as at 1 April 2022)

### Contracted hospitals

When a hospital agreement is in place, the RBHS will rebate the agreed amount to the hospital from the date the agreement commences. Members should contact the RBHS to confirm the level of cover prior to entering the hospital.

### Non-contracted hospitals

If you choose to go to a public hospital as a private patient, the charges are set by the various state and territory Governments. The RBHS covers most public hospital stays, unless they charge over the Commonwealth default rate. Please contact us before you go to hospital for more details.

For the small number of non-contracted hospitals, the RBHS may also provide benefits towards some of the costs incurred by members in accordance with its rules and the member's level of cover. In those instances members could have large out-of-pocket expenses.

Gold Hospital covers 100% of the following fees in contracted hospitals. Please contact us before you go to hospital for more details.

- Theatre fees;
- Intensive care;

## Waiting periods and continuity of cover

All health funds have waiting periods to protect members by encouraging people to maintain their health cover.

A waiting period is a length of time applied to each new health cover and also applies when cover is upgraded. During this period, benefits are generally not payable.

The RBHS will provide continuity of cover for anyone transferring from another registered Australian health fund or changing from another RBHS product provided that an equivalent or a higher level of cover was held. To be eligible for continuity of cover the transferring health cover must be financial and a Transfer Certificate must be provided by the previous health fund. If you have served part of your waiting periods with your previous health fund, you will receive waiting period credits when you transfer to RBHS for the portion you have already served.

## Exclusions

## Limits

For some benefits, there is a limit on the total amount the RBHS will pay each year. Benefits that can be claimed only once a year are renewed on 1 January each year.

The two, three and five-yearly benefits are determined from the date the service is first provided. We recommend that you check with us before your service date to ensure that you will be covered. The 'service date' is defined as the date of treatment or receipt of an item.

Members planning any comprehensive and expensive health care should get a quote from the provider, including item numbers and associated costs, and ask us for details of the benefit(s) payable.

## Cooling off period

A new member may cancel their policy within 30 days of joining the RBHS on the following basis:

- If the member has not made a claim in the 30 days from the commencement date of their policy, they will receive a full refund of all premiums paid.
- If the member has made a claim in the first 30 days of their policy, the cooling-off period is null and void.
